3. SUGGESTIONS

- ❖ The objective of collecting information from grass root level involving the Panchayati Raj Institutions was to have a broad picture of the constraints and deficiencies, if any, in implementation of various schemes. In the absence of the involvement and commitment from all concerned it will be a futile fortnightly exercise.

[Action- All Collectors]

- ❖ The Collectors concerned should immediately ascertain as to why a large number of beneficiaries under Annapurna Yojana and Antodaya Arna Yojana have not lifted the stock.

[Action- Collectors concerned]

- ❖ The Collectors have reported that **0.15** lakh additional beneficiaries need to be covered under supplementary nutrition programme. The W&CD Department may therefore examine the matter and suggest remedial action.

[Action- W. & C.D. Department]

- ❖ The reports received from the districts reveal that **11686** persons have not received Old age pension/Widow pension. It requires a detailed field verification and substitution in case of death and migration. This has been reiterated time and again. In spite of repeated requests, compliance on this score is not forthcoming. Hence, the Collectors should expedite this and complete the substitution *immediately* and report compliance.

[Action- All concerned Collectors & W.& C.D. Deptt.]

- ❖ It is seen from the reports that **601** habitations need provision of Safe Drinking Water immediately. R.D. and H. & U.D. Department should verify the position as claimed by Districts and expedite response in the matter.

[Action- Rural Development and H & U.D. Department]

- ❖ The number of main bread earners of family suffering from prolonged illness during this fortnight is **1 (Boudh-1)**.

[Action- Collector as above]

- ❖ The MIS should not be taken as another routine. The valuable information, which the MIS throws up, should be used for effective intervention.
